# TRANSCRIPT GUIDELINE

## I. ACADEMIC CALENDAR

The Korea Advanced Institute of Science and Technology(KAIST) operates on an academic calender of 2 sixteen-week semesters and 2 eight-week sessions(Summer and Winter).

## II. CREDIT

The unit of credit is the semester hour. Each semester hour is equivalent to one class period (one hour in length) per week for sixteen weeks.
(two class periods per week the during 2 eight-week sessions )

Generally, a 3-credit course represents three class contact hours or equivalent per week during a sixteen-week semester.
Variations may occur as dictated by course requirements and workload, and as approved by the Curriculum Review Committee.

## III. COURSE NUMBERING SYSTEM

10000~49999 : Bachelor's Courses (including Courses without credit)
40000~59999 : Courses accepted for credits either Bachelor's or Master's courses
50000~69999 : Master's Courses
70000~89999 : Doctoral Courses
90000~99999 : Designated Courses (Research-focused subjects, etc.)

## IV. GRADING SYSTEM

1. Grades Included in the Calculation of Grade Point Averages,

| Grade | Explanation | Grade Point Per Credit |
|---|---|---|
| A+, A0, A- | Outstanding Performance | 4.3, 4.0, 3.7 |
| B+, B0, B- | Superior Performance | 3.3, 3.0, 2.7 |
| C+, C0, C- | Satisfactory Performance | 2.3, 2.0, 1.7 |
| D+, D0, D- | Minimal Pass | 1.3, 1.0, 0.7 |

2. Grades Not Included in the Calculation of Grade Point Averages

W Withdrawal
R Retake
S Satisfactory
U Unsatisfactory
P Pass

3. Grade Interpretation

A+, A0, A- : OUTSTANDING PERFORMANCE
- Through exceptional performance on examinations and through accurate execution of all graded homework to the highest professional standard, the student has demonstrated exceptionally

deep understanding of the subject matter and the ability to use it accurately, quickly and confidently in new and unanticipated situations with access only to essential reference material.

B+, B0, B- : SUPERIOR PERFORMANCE - Through good performance on examinations and graded homework completed accurately to high professional standards, the student has demonstrated solid understanding of the course

material and the ability to apply it in routine situations quickly and without excessive access to reference material, and has shown the capability of applying it in new and unanticipated circumstances, given sufficient time and reference material.

C+, C0, C- : SATISFACTORY PERFORMANCE
- Through exams and graded homework, the student has demonstrated a basic understanding of the course material and the ability to apply

it in routine situations, given sufficient time and access to reference material.

D+, D0, D- : MINIMAL PASS
- The student has not demonstrated sufficient competence to qualify for a grade of C- or better but does appear to have sufficient understanding and the ability to work with the subject matter in the most simple

situations fairly accurately, given sufficient time and access to similar examples and appropriate reference material.

F : NO CREDIT
- The student has failed to demonstrate sufficient competence to qualify for any of the above grades.

## V. GRADUATION REQUIREMENTS

All undergraduate students must complete a minimum of 130/136 credits(students who admitted before 2015/after 2016) and achieve a minimum cumulative grade point average of 2.0.

All Master's students must complete a minimum of 33 credits.

All Ph.D students must complete a minimum of 60 credits.

All graduate students must achieve a minimum cumulative grade point average of 2.5.
